Families moving to Ripley will be contacted by Penni to set up a time to visit.

TEACHER APPRECIATION

Photos from August 2015 teacher training with Dr. Susan Villani

Every year the CCC Board hosts a dinner for the CCC Staff. It is the Board's way of saying thank-you to our teachers. A highlight of the evening is sharing comments from families, expressing their appreciation for the teams of teachers working with their children. You can add your voice to this recognition by using the Survey Monkey link below. You will have the opportunity to share a funny story, a comment, or a thank-you with the teaching teams for all your children. <https://www.surveymonkey.com/r/STC3CJR> Thank-you for helping us share with teachers, in this very special way, how important they are to our families.

Auction Thank-You

Over 200 people attended our 40th anniversary gala and auction at the Concord Country Club on April 9, raising over \$45,000! Thank you to everyone who helped make this evening such a success by volunteering, attending, donating, bidding, or some other way. You make a difference for our children and our school.

June 8: CCC Annual Appeal Phonathon

Thank you to everyone who has already donated to this year's Annual Appeal – one in four families has already made a donation! We are hoping that half of our families will donate to this year's Annual Appeal – use the materials that you received in the mail or donate on-line at www.concordchildrenscenter.org.

On Wednesday evening, June 8, CCC Board members will be calling our families to ask them to support our Annual Appeal. The Board gathers at 1300 Main Street for pizza and phone calls. When they call, we hope families will not only donate but will also take this opportunity to ask questions and share their impressions of CCC with our wonderful board members.

Need To Change Your Schedule For Next Year? Please Remember:

Due to the impact on staffing, schedule reductions require substantial advance notice. Schedule reductions requested by July 1 will go into effect at the beginning of the school year. If you request a schedule reduction between July 1 and August 31, the change will not go into effect until December 1. Any requests for reductions made after September 1 will go into effect three months after the request is made.
