Dear Friends,

I am proud to share the 2018 Report of Giving for Concord Children's Center. As I reflect on the success of this past year, I am reminded of other past successes and the vision we have for Concord Children's Center going forward.

This year we enthusiastically acknowledge the 20 years since the CCC Board set out on an ambitious effort to build a new school at 1300 Main Street. The journey from tenant at Harvey Wheeler to owning our own building at 1300 Main Street, opened in September 2002, was truly an adventure. Successfully completing this project allowed CCC to continue to operate three sites and grow our programs. At the same time, we have been gradually rebuilding our reserves, much of which, along with a successful capital campaign, financed the construction of 1300 Main Street. Twenty years later, we remain financially stable, able to support our mission, and looking forward to the next 20 years.

It is my honor to have been part of the CCC legacy which now spans nearly 45 years. Over this time we have served countless children and their families, shepherding generations through their early years. CCC alumni parents Richard Wells and Kathleen Bailey put it very well in expressing their appreciation for the experience their children received at CCC: *"CCC gave our kids a great foundation, teaching them ways to see, approach, and care for their community and the world in a way that has served them very well on their journeys so far. When children learn to live this way, it improves their lives and leads to a more peaceful and caring world."*

On behalf of the entire CCC community, I would like to thank those donors past and present who have contributed to our success. We are particularly grateful to those who made a gift during the 2017-2018 school year and happy to recognize them here. The generosity of our donors helps us to fulfill our mission of engaging, preparing, and inspiring today's children. We look forward to your continued support in building a bright future for children now and in the years to come.

I invite you to spend time reflecting on your family's personal experience at CCC. We are fortunate that you have chosen to join our community and allow us to partner with you in the development of your child. We have much to be proud of and much to look forward to as we plan for the next four decades.

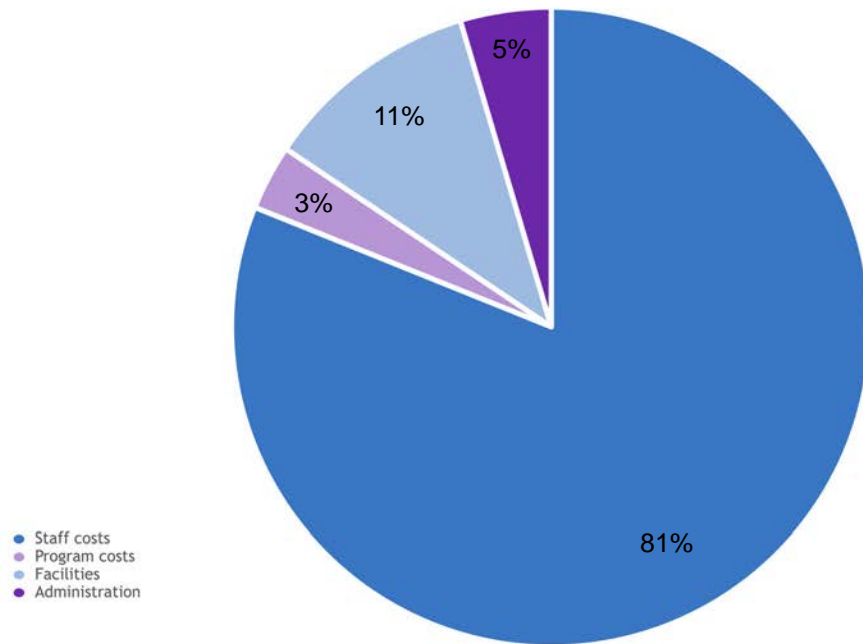

Sincerely,
Pat Nelson
Executive Director
