

What is CAPA?

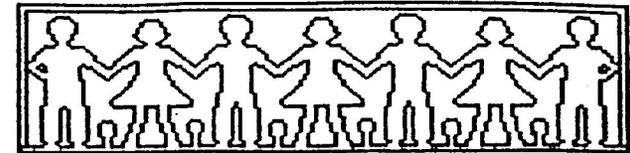

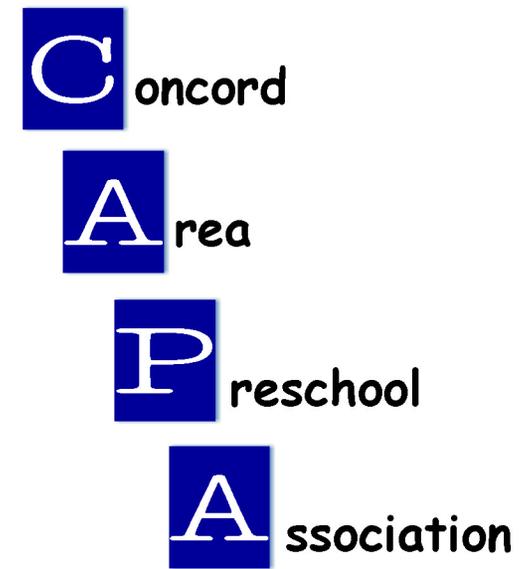

The Concord Area Preschool Association is a group of local educators with a commitment to quality early education in Concord and the surrounding towns. The group meets several times each year and focuses on issues related to quality, affordability, availability, and accessibility of early education and care for families living in the Concord area. As part of its commitment, CAPA has established a scholarship program to help families in need with the cost of early education. Marcia "Marty" Stern, a founding member of CAPA, was instrumental in the establishment of our scholarship program. In 2012, the fund was renamed the CAPA/Marcia Stern Scholarship Fund to honor her memory and her commitment to the children of the Concord area. The scholarship fund is supported by the Concord-Carlisle Community Chest, local churches, member childcare programs, and other community donors. Applications are accepted year-round, with the majority of scholarships awarded in early September.
